Dear Mr. Weisberg

Jim Moore is dishonest and I dont agree with him. He is the biggest IDiot in the world. Every thing he wrote about is dishonest.

I have read Whitewash and I am now starting on White II. The Fact is that I read Whitewash when I got home from your place and finished it about 3 weeks later. Then I read Jim Moore's book Then just now started on White wash II. So you can see I did forget some. A Single bullet a high powered rifle I beleave Coved do it. But Mabe I am Wrong, Make it was two. In Earlyer Chapter's in my book I Say what I beleave. Never the less I never overlooked the Chance of a Secound bullet hitting him.

Sorry
